

Beef & Veal in the Classroom

Digital Lesson Toolkit

September 1, 2024 – June 30, 2025

Digital Classroom Lesson Tool Kit

The PA Beef Council is excited to offer an assortment of high quality, easy to use educational materials at no cost to you or your school for your participation in the Beef & Veal in the Classroom Program! As you are planning for the rest of the school year, keep in mind the materials offered to Family and Consumer Science instructors are an excellent resource for teaching nutrition, meat preparation and safe food handling practices, as well as providing recipes to your students. Whether you teach food preparation classes or more general lifestyle classes, you will find materials that fit your curriculum.
