

PROGRAM IMPACT

2025-2026 SCHOOL YEAR

Who We Are

The PA Beef Council's Beef and Veal in the Classroom program provides financial support (in the form of grants) to support the use of beef and veal products in middle and high school Family and Consumer Science classrooms.

Educators are also provided with turnkey educational materials to execute comprehensive protein lessons with their students.

Program Partners

The program is spearheaded by the PA Beef Council, with tremendous support from beef and veal industry partners.

PROGRAM TESTIMONIALS

“

The Beef & Veal in the Classroom Program has strengthened our Family and Consumer Science curriculum by creating engaging, hands-on cooking and nutrition experiences supported by high-quality educational resources and practical learning opportunities.

”

Lewann Alexander, Family and Consumer Science Educator at Warren Area High School in Warren County, PA

“

The Beef and Veal in the Classroom resources were valuable enough to be incorporated into a new Sports Nutrition course, reinforcing lean beef as a natural and effective protein choice for student athletes.
